

“Oscar found me an amazing specialist!”

- Jessica B, Oscar member

You don't need more doctors. You need the right doctor for you. That's why we are dedicated to pairing you with the right provider for any need. Whether you're using the Oscar app or website, or getting one-on-one help from your Concierge team, the best care is easy to find. Even better, referrals aren't needed to see a specialist – ever.

Browse on the Oscar app or website.

Search doctors.

- Search by symptoms, conditions, procedures, doctor specialty, or doctor name.
- Filter by area and availability.

Compare compatibility.

- See real ratings from members like you.
- Learn about each doctor's experience and specialties.

Book an appointment.

- See appointment availability and book fast.
- Some doctors have extended hours just for Oscar members.

We use doctor data to find the right fit.

Your Concierge team doesn't just find you a specialist - they find you a specialist with the exact skills and experience you need. Since they've been with you from the start, they already know your health history and will help you find a doctor based on factors that are important to you.

- ✓ Procedure volume
- ✓ Doctor experience
- ✓ Provider quality
- ✓ Complication rates
- ✓ Hospital quality
- ✓ Estimated costs
